Topics covered:

We will explore the crucial aspect of conversion. As we know, more is required of being a Catholic Christian than simply membership. We are called through baptismal waters to be faith-filled disciples who gather around the altar-table on the Lord's Day. What does discipleship look like? What is involved? How does the initiation process strengthen discipleship so that persons who journey through the rites of Christian initiation embody faith and stay connected to Sunday Eucharist and the Church after being fully initiated?

Registration fee: \$10.00 per person.

Please bring a copy of the Rite of Christian Initiation of Adults ritual (A few study editions will be available for purchase on the day of the workshop). Registration is available online (though payment will be accepted at the door), or you may mail, e-mail or register at the door.
