

DIOCESAN TUITION ASSISTANCE PROGRAM

The Diocese of Gary has an annual Tuition Assistance Program which provides approximately \$500,000 for tuition assistance to Catholic students of the Diocese of Gary. The Tuition Assistance Endowment Program, funded annually since 1987 by the Catholic Services Appeal (CSA) contributions, has slightly more than \$1,871,000. This endowment will fund a portion of the assistance. The balance of the \$500,000 designated for tuition assistance will be taken from CSA and from unspecified gifts previously given to the diocese to fund our educational mission.

The parent of any Catholic student in grades 1-12 attending a diocesan school is eligible to apply for the program. Those in need of financial assistance are encouraged to apply. The Schools Office emphasizes that this is an “assistance” program and that it does not provide full scholarships. Private School Aid Service (PSAS) of Lakewood, Ohio assists in the determination of how funds are to be allocated.

Applications are **ONLY** available from your parish office during the month of January and February. Instructions for completing the application, information about the processing fee, and the deadline to return the application to your pastor is included.

There are *strict deadlines* for this process, so be sure to contact your parish office about the program in January.

Contact person for the Diocesan Tuition Assistance Program is:
