The Benefits are Clear

Taking care of your vision and wearing corrective lenses can be essential to your overall health and well-being. After all, more than 65 percent of today's workforce wears eyeglasses or contact lenses. That is approximately 147 million people nation-wide, and the demand grows with each and every day. Blue View Vision provides a cost-effective vision plan that includes eyewear available through a broad range of eye care providers and locations. You can easily find a provider conveniently located near you. We contract with independent optometrists and ophthalmologists as well as retail locations such as LensCrafters®, Target Optical®, JCPenney® Optical, Sears OpticalSM, and Pearle Vision® Stores.
