

Saint Patrick Catholic School

Chesterton, IN

Job Posting

Position: 6th, 7th, 8th Grade Science Teacher and 7th grade Homeroom....Full Time

Qualifications: Current Indiana Teaching License with Science Endorsement. Candidate should possess a strong and knowledgeable background in Science. Candidate must possess an excitement for the subject matter, promote and nourish a love for learning, be able to work with various ability levels, and use technology and like-kind tools with lesson planning.

Job Description: Candidate will be responsible for providing an educational atmosphere in which students have the opportunity to fulfill their academic, spiritual and emotional potential. Candidate will be responsible for organizing and implementing an instructional program that will result in students reaching such academic success that taps their full potential.

Requirements: Candidate must build a positive environment in the classroom in which students are encouraged to be actively engaged in the learning process. Candidate should implement the needed instructional activities that build and contribute to an atmosphere in which students are actively engaged in meaningful learning experiences. Candidate must also be able to identify and work with various ability levels; be able to differentiate instruction, as needed; and modify instructional resources to meet the needs of such differing ability levels. Candidate should effectively use data to influence the course of instruction. Also, maintain and keep effective lesson planning and other record keeping procedures. Candidate should foster good and effective working relationships with fellow staff, students, parents, and other stakeholders. Candidate should live a faith-filled life.

Salary: Teacher's Salary, commensurate with experience

Benefits: Health Insurance, Pension
