At St. John the Evangelist School our student body is highly engaged, and our parents are very invested in their children's education.

We are seeking a creative, engaging K-5 teacher for a rare opening in our elementary school. This position will likely be in 5th grade; however, there is a possibility of another grade level if a current staff member wishes to move to 5th grade.

Our elementary teacher will use a variety of creative teaching methods to motivate and engage our students and help to prepare them for middle school. The ideal candidate must enjoy being part of a team and our larger school community. Our elementary teachers also teach religion, so strong knowledge of the Catholic faith is essential. Candidates must also exhibit outstanding verbal, written, organizational and presentation skills when dealing with students, parents, fellow teachers and administration. Candidates must be licensed in Indiana or have the ability to become licensed in Indiana.

In addition to a competitive pay and benefits package, St. John the Evangelist teachers enjoy quality of work life which includes:

- strong emphasis on discipline, responsibility and accountability and very few/minor discipline issues
- working with students who love to learn and score well above state averages
- strong parental support and involvement
- ability to share their faith and instill moral and character development in their students in accordance with the teachings of Jesus Christ

Candidates who desire a positive change or wish to start their careers in a highly motivating, high performing environment, should send resume and certifications to Kris Ziegelhofer, Human Resources Coordinator, at hr@stjohnparish.org.
